

**DESCRIPTION**

Description		PVC welding rod for hot welding to ensure a watertight connection between 2 Mural Calypso rolls
Installation		Hot welding - for a better weld use an adapted nozzle
Weight	g/lm	16 ± 1,0
Shore		73 + 3 Sh A.
Diameter	mm	4,1 ± 0,2
Packaging	unit/box	1 coil (100 (+4/-0) lm)
Colors available		Consult Gerflor.com
Product Code(s)		H231

**PERFORMANCES**

Strength at break- EN ISO 527R	MPa	14 + 3
Elongation at break- EN ISO 527R	%	250 + 50
Melting range- ISO 11357-2	°C	160 - 200
